

Tax Budget 2019 – A Budget for the Future by the New Government for the Rakyat of Malaysia

SBL/HRDF Claimable

Against the backdrop of a massive financial debts faced by the country and a volatile macro-economic climate, Malaysian businesses, individuals and the government are not spared from the disruption. The Rakyat and the government must come together and work together to face future challenges and create new opportunities for businessmen.

For the first time in history, the government is introducing a new provision known as unexplained extraordinary wealth. This gives IRB sufficient armory to scrutinize and investigate unexplained extraordinary wealth displayed through possession of luxury goods, jewelry, handbags or property.
